Subject: RE: Oracle v. Rimini Street

Tom, Kieran,

In light of the Court's August 14 Order, we would like to confer this week regarding setting a schedule for completing the supplemental discovery we have discussed and regarding setting a schedule for pre-trial submission that will allow for an orderly progression to trial.

In particular, we would like to set deadlines for completing the additional discovery discussed at our last meet-and-confer, for serving any supplementations required by Rule 26(e), and for serving any supplemental expert reports. We also believe the parties should attempt to agree upon a schedule for filing the joint pre-trial motion in accordance with Local Rules 16-3 and 16-4 and submit a joint motion to the Court.

Finally, Rimini intends to seek leave to re-open discovery for the limited purpose of obtaining discovery on the CedarCrestone settlement and the related CedarCrestone declaration (dated August 13, 2013). Please advise whether Oracle opposes re-opening discovery for this limited purpose.

I am available any time this Friday to discuss. Is there a time that works for you?

Thanks, Rob
